Rosters as of May 15, 2022* — *These rosters may change before and during the camp. *The coaching staff will notify players if they will be rotating between teams during the camp for scrimmages.*

These Training Team Rosters are for the **NAU Volleyball Team** Camp only — they do not necessarily reflect the IRVB Fall Indoor Teams or player positions.
The **NAVY TEAM** is comprised of Returning Varsity Players; the **SILVER TEAM** is comprised of Juniors and/or Sophomores from last season's Junior Varsity Team. A WHITE TEAM may be formed of prospective Junior Varsity (Sophomore) Players. Players may be moved to other team rosters based on positional needs and scrimmage schedule during the camp.

The coaching staff will suggest that players be placed in certain positions during the camp to organize and observe positional needs for the 2022 Season.
If you have any questions regarding Team Placement, please contact the Head Coach.
