Rosters as of May 15, 2022—These rosters may change before and during the camp. The coaching staff will notify players if they will be rotating between teams.

Please see the schedule that was provided for the Team Camp—all players are expected to arrive at least 15 minutes prior to the session's scheduled start time.

These Training Team Rosters are for the UA Volleyball Team Camp only — they do not necessarily reflect the IRVB Fall Indoor Teams or player positions. The **NAVY TEAM** is comprised of Returning Varsity Players; the **SILVER TEAM** is comprised of Juniors and/or Sophomores from last season's Junior Varsity Team; and the **WHITE TEAM** is returning Sophomores from last season's Freshman Team. Players may be moved up to other team rosters based on positional needs.

The coaching staff will suggest that players be placed in certain positions during the camp to organize and observe positional needs for the 2022 Season. **If you have any questions regarding Team Placement, please contact the Head Coach.**
